

# 2016 JEFF CAHILL EARLY CAREER TEACHER AWARD

Unknown ■

Congratulations, Natalina Cicchini, Ellenbrook Secondary College. Natalina was nominated by her Head of Department Heath Dullard. In her fourth year of teaching at Ellenbrook Secondary, Heath described her as an exceptionally effective teacher and said that she is held in very high regard by both her students and her colleagues. *“Her strengths include her ability to motivate and engage students to improve their learning, her continual hard work in contributing to the Science department and supporting fellow teachers”* said Heath.

Natalie, a worthy recipient of the Jeff Cahill Early Career Teacher Award, was presented with her certificate at the Future Science Conference, which included full registration to the Future Science Conference on 2nd December last year.
