\$35.00 each	\$40.00 each

Physics Day General Information for 2017

Student & Teacher Guidelines

Adventure World staff will have absolute authority over the safety and security of all rides and equipment. Students will not be allowed to interfere with the operation of any ride or apparatus. They will be expected to obey Adventure World staff at all times. It is vital that each participating school complies with the Department of Education and Training's Water-Based Excursions Policy. Adventure World has taken considerable steps to ensure they meet Departmental requirements and they will work with schools to ensure all regulations are met.

Transportation

Transport to and from Adventure World will be the responsibility of the school and supervising teacher/s. Student entry to Adventure World from 9.30am, and departure before 3.00pm. You will be able to bring students at anytime during the day and for any time period to suit your school's requirements. Students and teachers will be responsible for their own food and drinks, you may bring your own picnic lunch; there is plenty of lawn space or alternatively, the restaurant and kiosks will be open during the day.

Tickets

Entry to Adventure World for students and teachers is via pre-purchased tickets through STAWA. At least one teacher from each school is required to attend, and supervisors may make up the rest of the student/teacher ratio.

One teacher per 10 students will be admitted for free!

Tickets are available through the STAWA office only. Collect money from each student and send a single cheque for the full amount together with the completed application form. Please do not send cash or individual student cheques. Tickets this year, WILL NOT be issued in advance – wristbands will be given out at the entrance by the Adventure World Entrance Staff. They will have a list of all schools and the quantities purchased. Please use the order form provided, other forms will not be accepted.

The activity books for years 10-12 are no longer mailed out, electronic copies are downloadable from the web. The Solutions Booklets will be emailed to you as the lead teacher on the booking form. It is your responsibility to photocopy and provide individual copies of the Activity Books to your students; these will not be available on the day.

Bad Weather

In the event of heavy rain and/or high winds, the event may be cancelled. Adventure World will make the final decision in this regard. If unsure, you are asked to contact them by phone on 9417 9666 the morning of the event. Adventure World will advise on the how long the tickets are valid.

No refunds will be given.
